

EMERGENCY SERVICES COORDINATOR

City of Milpitas

Effective: 8/7/1990

Revised: 11/2013;
9/2016

EEOC: Professional

FLSA: Exempt

Unit: Exempt

Physical: 1

DEFINITION

Under general supervision of the Fire Chief or designee, the Emergency Services Coordinator plans, develops, and implements all disaster response and training activities for the City including staff training and community education programs. Function as a liaison between City governmental agencies.

SUPERVISION RECEIVED AND EXERCISED

Receives general supervision from the Fire Chief or designee. May exercise indirect supervision over assigned clerical personnel.

EXAMPLES OF DUTIES

Duties include, but are not limited to, the following:

- Performs work in emergency planning management including data collection, analysis and preparation of State and Federal reports and maintenance of Emergency Operation Center (EOC) documents and records.
- Manages and maintains the Emergency Operations Center (EOC) and the Alternate EOC.
- Responds to emergency incidents, disasters and significant events and participates in the management of those incidents. Carries pager at all times in order to respond to emergency activities during the regular business day, after hours or on weekends and holidays.
- Develops and conducts training on disaster and emergency response to EOC Staff, City Staff, and community members. Coordinates the development and implementation of a disaster preparedness training program for employees and volunteers, specifically for the purpose of educating these individuals of their responsibilities during emergency and/or disaster operations.
- Alerts appropriate state and federal agencies of emergencies or disasters and coordinates the response operations of Milpitas before, during and after an emergency or disaster.
- Serves as the official for swearing in Disaster Service Workers for City Employees and community members. Swears in employees and community members as Disaster Service Workers (DSW) and manages the DSW Program.
- Coordinates disaster response or crisis management activities such as evacuations, opening public shelters, and implementing special needs plans and programs.
- Conducts inspections of facilities and equipment, such as the EOC, alternate EOC and communications equipment in order to determine their operational and functional capabilities in emergency situations.

- Develops and recommends alteration of emergency response procedures based on regulatory changes, technological changes, or knowledge gained from outcomes of previous emergency situations.
- Develops and conducts public presentations and speeches at schools, special events, civic organizations, etc. (including television, radio and/or newspaper interviews, or appearances) which benefit the public's safety and enhances the community's awareness and preparedness for any emergency, disaster, or threat. Assists medical facilities, businesses, schools and industry in the preparation of Emergency Plans; coordinates with City departments in preparing, obtaining and distributing information related to emergency planning and preparedness.
- Serves as the City's representative to County and Regional Emergency Planning and Preparedness committees and organizations, and acts as a liaison to volunteer organizations which may assist the City during a disaster.
- Conducts citywide assessment to determine hazards which may require special emergency response and/or mitigation.
- Performs others duties as assigned.
